PENSIONER BENEFIT STATEMENTS 2017

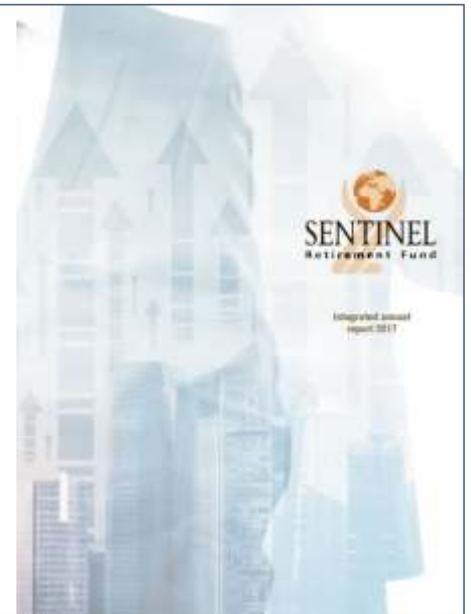

Pensioner Benefit Statements for 2017 were distributed in October this year. Pensioners would have noticed that the content of the Benefit Statement Brochure had been enhanced to include information that was previously published in the year-end edition of the Informant. This has been done to provide you with a comprehensive Fund communication pack as at the end of the Fund's financial year.

Your statement is also available on the Sentinel secure website. To gain access to your personal records, you must register at www.sentinel.za.com. Go to "User Login" click on "Signup" and follow the instructions.

IMPORTANT NOTICE

Sentinel Retirement Fund's 2017 Integrated Annual Report is available on our website at www.sentinel.za.com

Please take the time to access and read this important document.

PENSIONER ROAD SHOW 2017

Sentinel's Annual Pensioner Road Show is a highlight for many of our pensioners, as they obtain first-hand information about the Fund, and also get to meet old acquaintances over a cup of tea/coffee before and after the presentation.

The presentation this year focused on the impact of recent economic events on the pensioner environment and included an explanation of the pension increase policy and related parameters. Attendance at 36 venues this year increased slightly from last year mainly because of additional venues that were added.

Pensioners again expressed their sincere appreciation for the manner in which Sentinel nurtures their affairs and applause from the audience at the close of each presentation reminds us of the pensioners' appreciation and sincerity.
